Editorial Review

From [Booklist](#)

In this follow-up to Dragon Slippers (2007) and Dragon Flight (2008), seamstress Creel is preparing for her wedding to Prince Luka, surrounded by beloved dragon friends, when Velika, a dragon queen, is kidnapped. All nuptial plans are postponed as the couple searches for Velika, whose pregnancy heightens the urgency of the rescue. As in the previous series titles, George creates richly satisfying fantasy realms, from opulent palaces to forest lairs, while the tender romances, genuine friendships, rapid dialogue, and thrilling adventures will continue to delight readers. Newcomers will find some background explanations, but this is best for series fans. Grades 6-9. --Gillian Engberg

Review

Praise for Dragonskin Slippers: An action packed, unputdownable story, with a clever mixture of adventure, humour, and really touching moments Primary Times Praise for Dragon Flight: Fans of the first book will find the same strengths here: the imaginatively detailed scenes; the thrilling, spell-fueled action; the possibility of romance with a prince; and the appealing, brave heroine Booklist George endows each of the characters, human or dragon, with a unique personality, and although their tale is set in a distant, mythical past, these characters speak and act with a modern sensibility that makes them accessible to young readers. Action, danger, pathos and romance - this fantasy has it all Kirkus Reviews
