### Global Perspectives on Counterterrorism, Second Edition (Aspen Elective)

By Amos N. Guiora

**Amos Guiora** presents an interdisciplinary and global exploration of the law, policy, intelligence gathering, and operational decisions surrounding counterterrorism initiatives. Case studies of seven different nations: India, Israel, Russia, Spain, the United States and now, China and Colombia and their efforts to repel terrorism within their borders provide numerous opportunities for comparative analysis. **Issues to Consider** present actual dilemmas and scenarios in each chapter that fuel class discussion.

The **Second Edition** extends its purview to China and Colombia in an ongoing effort to impart a broad perspective on the tactics and strategies used by different countries to combat counterterrorism.

**An accessible and fascinating text, Global Perspectives on Counterterrorism, Second Edition, features:**

- a practical approach to thinking about a wide variety of issues, including interrogations, the proper forum for trying terrorists, judicial review, international law, intelligence gathering, and policy responses to terrorism
- simulation exercises that put students in the role of policy and decision-makers

**Rigorously updated, the revised Second Edition includes:**

- a new chapter on future hotspots of terrorism and the future of counterterrorism, with a focus on Mexico and Somalia
- new cases, policy documents, and updated discussion of terrorism events around the world
