Editorial Review

Review

Some of the best story tellers are the ones who can help you see and old thin in a totally new way. That is exactly what Michael Belk does with the classic stories of Jesus in his awesome book, Journeys with the Messiah. Dave Ramsey Ramsey Solutions NY Times best selling author and nationally syndicated radio host. --Personal Letter

I cannot recall the last time I was so absolutely inspired by a presentation as I am by Journeys with the Messiah. The images are astounding capturing the stories and parables of the New Testament in wonderfully creative and imaginative ways. They challenge how people think about Jesus and they open their eyes to their need for the Savior. What a powerful way to communicate the gospel and glorify Him. Dr. Charles F. Stanley, In Touch Ministries --Personal letter

In my 25 years as an editor with the Salvation Army, I have seen many attempts to bring Jesus into a modern environment, but I have not seen it done nearly so effectively and convincingly as in these images. The images are stunning, totally believable, and of great impact. For those of us who strive to communicate the gospel and the presence of Christ in the modern world, Journeys with the Messiah's images are refreshing and brilliant. Jeff McDonald, Managing Editor, SA Nat 1 Publications --Personal letter

About the Author

After working for a leading clothing company, Michael Belk channeled his experience and fashion knowledge along with his passion for photography into a successful advertising boutique. For more than 30 years, he created images for many of the leading names in fashion. His work appeared in publications that included Vogue, GQ and Vanity Fair. Along the way, Michael began hearing God ask, What are you doing with all that I gave you? Are you using it only for yourself or are you sharing it with others? Eventually the voice grew so loud that he decided to answer the question. Although Journeys with the Messiah began as a project, it soon became Michael's personal journey, a journey to understand Jesus messages in ways I never imagined. And soon, he suspected that God was sending him on a mission to share his discoveries with everyone. Now, his unique images and their simple, yet powerful and thought-provoking, messages are touching hearts around the world.
