Monsters By L. Andrew Cooper, Brandy Ball Blake

Monsters is part of the Fountainhead Press V Series of Readers. It's under the bed; it's in the closet. It's the thing in the basement, but it's also the thing in the mirror, hot breath on the back of your neck, cold eyes staring at you with loathing and hunger. The monster sometimes inspires heroes: a community's bravest members rise up and defend people's livelihoods against an indescribable threat. But in the dead of night, when no one can hear, even a hero might admit that a monster inspires one thing more than any other: fear.
