### Pants on Fire By Meg Cabot

Katie Ellison is not a liar.

It's just that telling the truth is so . . . tricky. She knows she shouldn't be making out with a drama club hottie behind her football-player boyfriend's back. She should probably admit that she can't stand eating quahogs (clams), especially since she's running for Quahog Princess in her hometown's annual Quahog Festival. And it would be a relief to finally tell someone what really happened the night *Tommy Sullivan is a freak* was spray-painted on the new wall outside the junior high school gymnasium—in neon orange, which still hasn't been sandblasted off. After all, everyone knows that's what drove Tommy out of town four years ago.

But now Tommy Sullivan has come back. Katie is sure he's out for revenge, and she'll do anything to hang on to her perfect (if slightly dishonest) existence. Even if it means telling more lies than ever. Even if, now that Tommy's around, she's actually—no lie—having the time of her life.

### Editorial Review

#### From [Booklist](#)

Katie Ellison is a big-time liar: she is running for the title of Quahog Princess, but she can't stand the clams her town is famous for, and she juggles two boyfriends. But the lie that weighs on her soul the most is the big secret that she is keeping about her former best friend, Tommy. To complicate matters, Tommy suddenly returns to town after a four-year absence that began after he spilled the beans about local football players who cheated on their SATs. Katie sorts through her attraction to multiple guys, including Tommy, who became all grown up and gorgeous while he was away. Lightweight and predictable, this is still an enjoyable read that's sure to be popular with Cabot's many fans. *Debbie Carton*
