Philip K. Dick: The Last Interview: and Other Conversations (The Last Interview Series) By Philip K. Dick

An electric collection of interviews—including the first and the last—with one of the 20th century's most prolific, influential, and dazzlingly original writers of science fiction

Long before Ridley Scott transformed *Do Androids Dream of Electric Sheep?* into *Blade Runner*, Philip K. Dick was banging away at his typewriter in relative obscurity, ostracized by the literary establishment. Today he is widely considered one of the most influential writers of the 20th century. These interviews reveal a man plagued by bouts of manic paranoia and failed suicide attempts; a career fuelled by alcohol, amphetamines, and mystical inspiration; and, above all, a magnificent and generous imagination at work.
