Spider-Man: Goblin Moon By Kurt Busiek, Nathan Archer

Spider-Man versus his most implacable enemy! Norman Osborn is a respected businessman, the owner of several companies, including the New York Daily Bugle. He is also secretly the super-villain known as the Green Goblin--a foe who has turned Spider-Man's life upside down more than once, and one who knows that Spider-Man is really Peter Parker! Osborn's latest scheme is his most ambitious yet: to make himself mayor of New York. But where many see that as a laudable goal, Spider-Man knows that Osborn's goal is nothing less than absolute power. Spider-Man can defeat the Green Goblin, but Osborn refuses to act himself, preferring to remain above the fray and let the mercenaries known as the Rat Pack do his dirty work. The wall-crawler must find a way to stop Osborn's machinations before it's too late!
