The Wedding (Lairds' Fiancees Book 2) By Julie Garwood

#1 New York Times bestselling author Julie Garwood brings the soaring adventure, love and rivalry of medieval Scotland to glorious life in this classic historical romance.

Journeying from England to Scotland, Lady Brenna has resigned herself to an arranged match with a highlander. But when a band of fierce, painted warriors captures her en route, she fearlessly meets their demand to instead marry their leader—her betrothed's sworn enemy—the quick-tempered Connor MacAlister.

Brenna harbors no illusions that her husband is in love with her, but their shared past gives her hope. Maybe the laird who once visited her father's castle and charmed her with a dazzling, unexpected smile remains underneath Connor's stern exterior.

But as she sets out to win the man whom she has come to adore, a legacy of revenge ensnares Brenna in a furious clan war—and only her faith in her new husband can save her...

Includes an excerpt of another beloved Julie Garwood highland romance, *The Bride*

Editorial Review

From Library Journal

Garwood's fortunes continue to blossom; her last novel, *For the Roses* (LJ 8/95), marked her tenth best seller. In her latest, a 12th-century Scottish maiden falls for the leader of the clan that abducted her.

Review

Kathe Robin Romantic Times "Utterly delightful...filled with adventure, passion, intrigue, that special Julie Garwood touch of humor, and the magic of love..."

Rendezvous "Her gifted prose is always a treat."

From the Publisher

Only a master could top the stunning success of *For the Roses*, and Julie Garwood has proven once again why she "attracts readers like beautiful heroines attract dashing heroes" (*USA Today*) with this joyous *New York Times* bestseller. Returning to the enchanting world of her classic *The Bride*, she brings the soaring adventure, love and rivalry of medieval Scotland to glorious life in a delightful tale her fans will adore.

Journeying from England to Scotland to wed a highlander, Lady Brenna had resigned herself to the arranged match. But when a band of fierce, painted warriors captured her en route, she fearlessly met their demand to marry their leader -- the quick-tempered laird Connor MacAlister. She couldn't know that her capture was merely the first act of vengeance against her betrothed, Connor's sworn enemy. Brenna harbored no illusions that her husband was in love with her; after a hasty forest wedding, MacAlister assured her she could return home once she had borne him a son. But she could not deny that she had once proposed to MacAlister -- ten years ago, when she was just a child, and the visitor to her father's castle charmed her with his dazzling, unexpected smile. Now, as she sets out to win the brave chieftain whom she has come to adore, a legacy of revenge ensnares Brenna in a furious clan war -- and only her faith in her gallant hero can save her...
