A Stranger Comes to Town (Lake Alamo Mysteries) By Rod Van Wyngarden

The Van Duren girls were all very smart and good at sports. Haylie and Rachel were ten-year-old twins. Haylie was strong and could even beat up the boys if she wanted to. Rachel could think her way out of any situation. She was the all-city checkers champion, and could even play chess and beat grownups, something that no other kid in her grade could do. Kayla was only seven, but she was a quick thinker and could keep up with her sisters, both on their bikes and using her brain.
