An Introduction to Childhood Studies By Mary Jane Kehily

"This thoughtful book provides expert overviews of historical, sociological, psychological, cultural, legal and rights-informed approaches to childhood. Through these well written, readable chapters, students will be engaged with important debates in childhood studies, and led towards many ideas and problems for further investigation. This second edition includes new chapters arguing strongly for interdisciplinarity and for measured responses to the current 'crisis' in UK childhoods."

Berry Mayall, Institute of Education, University of London, UK

An Introduction to Childhood Studies offers a wide-ranging and thought-provoking approach to the study of childhood, providing an important contribution to this burgeoning area of research and teaching. It brings together key themes in the area of Childhood Studies, providing a comprehensive and accessible introduction for students and practitioners, helping to answer questions such as:

- What is childhood and how can it be studied and understood?
- How is the idea of childhood shaped by the society we live in?

The contributors - who are leading figures in their fields - examine childhood from historical, socio-cultural and policy perspectives. They explore aspects such as the construction of childhood, children's literature, childhood in the digital age and children's rights.

Revised and updated throughout, the new edition includes:

- An expanded introductory chapter - Childhood Studies: past, present, future
- A new chapter on children's rights and educational provision
- A new concluding chapter - The future of childhood
- Revised and updated chapters
- Further reading suggestions for each chapter

An Introduction to Childhood Studies is a key text for students on courses in childhood studies, child psychology, social policy and the sociology of youth and childhood.

Users Review

From reader reviews:

Rosemarie Cleveland:

Reading can called brain hangout, why? Because while you are reading a book especially book entitled An Introduction to Childhood Studies the mind will drift away trough every dimension, wandering in each aspect that maybe unidentified for but surely can be your mind friends. Imaging every word written in a e-book then become one contact form conclusion and explanation that will maybe you never get previous to. The An Introduction to Childhood Studies giving you one more experience more than blown away your mind but also giving you useful information for your better life with this era. So now let us teach you the relaxing pattern this is your body and mind will likely be pleased when you are finished looking at it, like winning an activity. Do you want to try this extraordinary shelling out spare time activity?

Alice Rodriguez:

This An Introduction to Childhood Studies is brand-new way for you who has curiosity to look for some information since it relief your hunger of information. Getting deeper you onto it getting knowledge more you know or you who still having little digest in reading this An Introduction to Childhood Studies can be the light food for yourself because the information inside this specific book is easy to get by anyone. These books develop itself in the form and that is reachable by anyone, yep I mean in the e-book web form. People who think that in reserve form make them feel drowsy even dizzy this publication is the answer. So there is absolutely no in reading a reserve especially this one. You can find actually looking for. It should be here for anyone. So , don't miss that! Just read this e-book type for your better life and knowledge.

Ronna Rutledge:

As we know that book is significant thing to add our know-how for everything. By a reserve we can know everything we really wish for. A book is a group of written, printed, illustrated or perhaps blank sheet. Every year had been exactly added. This e-book An Introduction to Childhood Studies was filled about science. Spend your spare time to add your knowledge about your scientific disciplines competence. Some people has different feel when they reading a new book. If you know how big good thing about a book, you can truly feel enjoy to read a publication. In the modern era like currently, many ways to get book you wanted.

Henry Jones:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this An Introduction to Childhood Studies can make you sense more interested to read.
