### Code of Silence: Living a Lie Comes with a Price (A Code of Silence Novel)

By Tim Shoemaker

**Telling the Truth Could Get Them Killed.  
Remaining Silent Could Be Worse.**

When Cooper, Hiro, and Gordy witness a robbery that leaves a man in a coma, they find themselves tangled in a web of mystery and deceit that threatens their lives. After being seen by the criminals—who may also be cops—Cooper makes everyone promise never to reveal what they have seen. Telling the truth could kill them. But remaining silent means an innocent man takes the fall, and a friend never receives justice.

Is there ever a time to lie? And what happens when the truth is dangerous?

The three friends, trapped in a code of silence, must face the consequences of choosing right or wrong when both options have their price.

### Editorial Review

From School Library Journal

Gr 6-8-A well-written and well-plotted tale about friendship, trust, and doing the right thing. When Cooper, Hiro, and Gordy witness the robbery and beating of a beloved diner owner, they flee the scene, Cooper with the diner's video surveillance in hand. One of the masked men sees him and orders him to surrender the hard drive containing footage of the holdup. In fear, Cooper begs his friends to keep quiet about the robbery. He is sure dirty cops are involved, while Hiro (a dead cop's daughter and a bit of a detective-in-training) suspects a local bully and his father. The trio is in a race to uncover the criminals before cagey Detective Hammer interrogates the entire eighth-grade class and fingers them as witnesses, putting them all at risk. Cooper is an adept liar who manages to evade the criminals and the police. Hiro, the group's conscience, struggles to remain silent, and Gordy just wants things to return to normal. Afraid to contact police, these three teens attempt to discover the criminals themselves at great personal risk. Suspenseful and with a heart-pounding conclusion, this crime drama is a great recommendation for fans of mysteries and thrillers.-Kimberly Garnick Giarratano, Rockaway Township Public Library, NJα(c) Copyright 2011. ### Review

Some will find Shoemaker's covering of every angle too exhaustive, but it is just this meticulousness that makes this novel stand apart. Rarely are kids in thrillers portrayed this realistically: sick with worry, horrified by injury, and smart but not preternaturally so. Mentions of multiple characters' Christianity feel shoehorned in, but that doesn't take away from this deliberate, plausible, and gritty whodunit.' - Daniel Kraus, Booklist Review (*Booklist Review*)

### About the Author

Tim Shoemaker is a national speaker and author of eleven books, including *Code of Silence*, *Back Before Dark*, and the third in the series, *Below the Surface*. His nonfiction titles include *Super Husband*, *Super Dad ... You Can Be the Hero Your Family Needs*. Tim has three grown sons and has been happily married for over thirty years.
