iClone 4.31 3D Animation Beginner's Guide By M.D. McCallum

This book is a part of the Beginner's guide series, wherein you will quickly start doing tasks with precise instructions. Then the tasks will be followed by explanation and then a challenging task or a multiple choice question about the topic just covered. Do you have a story to tell or an idea to illustrate? This book is aimed at film makers, video producers/compositors, vxf artists or 3D artists/designers like you who have no previous experience with iClone. If you have that drive inside you to entertain people via the internet on sites like YouTube or Vimeo, create a superb presentation video, showcase a product or create a movie, or get a fast start on the iClone program, this Beginner's guide was written with you in mind.

Editorial Review

About the Author

M.D. McCallum, aka WarLord in the iClone community, is an international award winning commercial graphics artist, 3D animator, project director and webmaster with a freelance career that spans over 20 years and includes over one hundred individual and team-based awards. M.D. has worked freelance for animation companies, 3D application companies, game development studios, and indie film and animation studios. His experience with computers dates back to home-built kits in the late 1970s. M.D. is the author of eleven whitepapers for the Reallusion iClone Developers Center and has been selected twice as a Reallusion Featured Developer. M.D. has been a loyal user of iClone since version one and is a Certified Content Developer and Reallusion Director. M.D. was previously published as an outdoor writer in national magazines before turning his attention to full time digital freelancing. M.D. operates a freelance production studio in partnership with other highly skilled freelancers across the world to provide web- and television-based commercials, product presentations and visualization. He also creates and provides quality iClone props including his innovative Destructible line of props and iClone freebies and tips at www.iclonerevolution.com.

Users Review

From reader reviews:

William Leininger:
