**Philosophy, Politics, and Economics: An Anthology** By Jonathan Anomaly, Geoffrey Brennan, Michael C. Munger, Geoffrey Sayre-McCord

The only book on the market to include classical and contemporary readings from key authors in Philosophy, Politics, and Economics (PPE), this unique anthology provides a comprehensive overview of the central topics in this rapidly expanding field. Each chapter opens with an introduction that helps students understand the central arguments and key concepts in the readings. The selections encourage students to think about the extent to which the three disciplines offer complementary or contradictory ways of approaching the relevant issues. *Philosophy, Politics, and Economics: An Anthology* is ideal for undergraduate PPE programs and courses in political philosophy and political economy.

## **Editorial Review**

### Review

"This book is an exceptionally well-developed and well-conceived anthology. It offers wide coverage, contains both foundational and applied articles, and includes more technical and more 'fun' work. It's something that an instructor could use in introductory and also advanced courses. The readings in this anthology are at the core of what it means to be an educated person."--Jason Brennan, *Georgetown University*

"Not simply an excellent Philosophy, Politics, and Economics reader, this anthology would also be the only one suitable for a gateway PPE course. For someone who doesn't want to design his or her syllabus from scratch, this reader offers a fantastic ready-made one."--Elizabeth Anderson, *University of Michigan*

### About the Author

**Jonathan Anomaly** is Lecturer in the Duke-UNC program in Philosophy, Politics, and Economics.

**Geoffrey Brennan** is Research Professor of Political Science at Duke University, Professor of Philosophy at UNC Chapel Hill, and Professor of Economics at the Australian National University. He is the coauthor of *Explaining Norms* (OUP, 2013) and *The Economy of Esteem* (OUP, 2004).

**Michael C. Munger** is Professor of Political Science and Economics at Duke University. He is the coauthor of *Choosing in Groups: Analytical Politics Revisited* (2015).

**Geoffrey Sayre-McCord** is Distinguished Professor of Philosophy at UNC Chapel Hill and the editor of *Hume: Moral Philosophy* (2006).

All four authors teach in and are members of the Duke-UNC program in philosophy, politics, and economics.

## **Users Review**

### From reader reviews:

**Nancy Martindale:**

Book is to be different for every single grade. Book for children till adult are different content. To be sure that book is very important for us. The book Philosophy, Politics, and Economics: An Anthology seemed to be making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The book Philosophy, Politics, and Economics: An Anthology is not only giving you more new information but also to get your friend when you sense bored. You can spend your own spend time to read your publication. Try to make relationship together with the book Philosophy, Politics, and

**Christopher Suttle:**

A lot of people always spent their own free time to vacation or maybe go to the outside with them family members or their friend. Do you know? Many a lot of people spent they will free time just watching TV, or even playing video games all day long. If you want to try to find a new activity that's look different you can read the book. It is really fun for you personally. If you enjoy the book you read you can spent 24 hours a day to reading a publication. The book Philosophy, Politics, and Economics: An Anthology it is rather good to read. There are a lot of those who recommended this book. They were enjoying reading this book. In case you did not have enough space to deliver this book you can buy often the e-book. You can m0ore quickly to read this book from your smart phone. The price is not to fund but this book has high quality.

**Donald White:**

The reason why? Because this Philosophy, Politics, and Economics: An Anthology is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will distress you with the secret it inside. Reading this book adjacent to it was fantastic author who else write the book in such incredible way makes the content within easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of rewards than the other book have such as help improving your proficiency and your critical thinking method. So , still want to hold off having that book? If I were you I will go to the e-book store hurriedly.
