Reader's Choice, 5th edition By Sandra Silberstein, Mark A. Clarke, Barbara K. Dobson

Reader's Choice is among the world's best loved and most successful ESL/EFL textbooks for the teaching of academic skills. Based on the theory that proficient reading requires the coordination of a number of skills, this classic text recognizes that the most important of these is the reader's ability to select the proper skills or strategies to solve each reading challenge. The exercises and readings in *Reader's Choice* help students to become independent, efficient readers.

Each carefully selected reading is accompanied by a wide variety of exercises. Skills-focused units alternate with units centering on full reading passages. *Reader's Choice, Fifth Edition*, preserves this proven format and popular readings while bringing new material and updates to every unit from the previous edition.

New in this edition of *Reader's Choice*:

§ **Visual Literacy.** Today's students are confronted with a dizzying array and combination of print and graphics. This edition features more activities that develop strategies for gleaning information from combinations of text and graphics.

§ **Web Work.** The ability of today's students to evaluate information sources is nowhere more crucial than on the Internet. Extensive Web Work appears in three skills units and additional web-based activities occur throughout the book.

* **New Readings.** Nine new reading selections respond to the changing environment faced by our students, taking up issues of globalization in a multicultural, multigenerational world.

§ **Additional Vocabulary and Additional Skills.** New readings bring additional vocabulary with new lexical items topically related across a series of linked readings. Additional skills work includes reading longer passages and creating prose summaries for Paragraph Main Idea work and transferring data from prose to tables and from graphs to prose. Some vocabulary activities have been moved to the companion website.

Users of *Reader's Choice* will be pleased to find that many of the features they have used with success have been retained: intensive language-based reading practice; realistic literacy tasks based on the use of authentic reading passages; a focus on reading skills but opportunities for speaking, listening, and writing in the context of the issues raised in the readings; activities that support task-based learning; and texts and tasks that stretch and challenge students in meaningful ways.

A companion website featuring interactive vocabulary activities/quizzes is available at www.press.umich.edu/esl/readerschoice/.

Editorial Review

Users Review

From reader reviews:

Clarence Riley:

As people who live in typically the modest era should be change about what going on or data even knowledge to make these keep up with the era that is always change and make progress. Some of you maybe will certainly update themselves by studying books. It is a good choice for yourself but the problems coming to anyone is you don't know which you should start with. This Reader's Choice, 5th edition is our recommendation so you keep up with the world. Why, because this book serves what you want and want in this era.

Phyllis Greenfield:

The ability that you get from Reader's Choice, 5th edition is a more deep you digging the information that hide in the words the more you get serious about reading it. It doesn't mean that this book is hard to be aware of but Reader's Choice, 5th edition giving you enjoyment feeling of reading. The copy writer conveys their point in specific way that can be understood by anyone who read it because the author of this e-book is well-known enough. This kind of book also makes your personal vocabulary increase well. That makes it easy to understand then can go with you, both in printed or e-book style are available. We recommend you for having this Reader's Choice, 5th edition instantly.

Todd Voss:

Reading a e-book tends to be new life style on this era globalization. With looking at you can get a lot of information that will give you benefit in your life. Together with book everyone in this world may share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some study before they write with their book. One of them is this Reader's Choice, 5th edition.

Heather Bly:

That publication can make you to feel relax. This specific book Reader's Choice, 5th edition was colorful and of course has pictures on there. As we know that book Reader's Choice, 5th edition has many kinds or category. Start from kids until teenagers. For example Naruto or Private investigator Conan you can read and

feel that you are the character on there. Therefore not at all of book usually are make you bored, any it offers you feel happy, fun and loosen up. Try to choose the best book for you and try to like reading that will.
