Sideways Stories from Wayside School By Louis Sachar

Bestselling and Newbery Medal-winning author Louis Sachar knows how to make readers laugh. And there are laughs galore in perennial favorite *Sideways Stories from Wayside School*.

Accidentally built sideways and standing thirty stories high (the builder said he was very sorry for the mistake), Wayside School has some of the wackiest classes in town, especially on the thirtieth floor. That's where you'll meet Bebe, the fastest draw in art class; John, who only reads upside down; Myron, the best class president, ever; and Sammy, the new kid—he's a real rat.

More than nine million readers have laughed at the wacky stories of Wayside School. So what are you waiting for? Come visit Wayside School!

Editorial Review

Amazon.com Review

The Wayside School was supposed to be one story high, with 30 classrooms side by side; instead, it was built sideways, with 30 one-classroom stories. As befits such a strange school, these tales are a bit strange too. In one, Jason is stuck to his seat by a large wad of chewing gum. His teacher tries throwing ice water on him (to chill the gum to brittleness) and turning him upside down. She even contemplates cutting his pants off. Finally, though, he falls from his upside-down position when kissed (ugh!) by one of the girls in the class. Other tales include a bit of a moral, such as the story of Kathy, whose assumption that no one will ever like her is proved right, or the story of Bebe, who draws quickly but without artistic merit. The quirky humor in this book is appealing to children, and it makes a good read-aloud book for the younger set. (Ages 5 to 12) -
-Richard Farr

From the Publisher

Lois Sachar, best-selling author of the Wayside School series, knows how to make kids laugh. And there are laughs galore in this popular book, now available again in hardcover. Meet Mrs. Gorf, the teacher who turns the students in Wayside School into apples.

From the Inside Flap

Read by Lionel Wilson

Two cassettes / two hours 48 mins.

You can imagine the confusion at Wayside School when the builder made a terrible mistake. You see, instead of building 30 classrooms side-by-side, he built them one on top of another.

Maybe that accounts for the wacky goings-on in Mrs. Jewls' class. Where else will you find children being turned into apples, dead rats wearing raincoats, and little girls who try to sell their toes? If you're confused too, maybe Todd can explain it to you, but just remember, he leaves at noon.

Users Review

From reader reviews:

Arthur Walker:

The publication with title Sideways Stories from Wayside School contains a lot of information that you can learn it. You can get a lot of advantage after read this book. This particular book exist new expertise the information that exist in this reserve represented the condition of the world right now. That is important to you to find out how the improvement of the world. This particular book will bring you within new era of the globalization.
