Tales from Margaritaville: Fictional Facts and Factual Fictions By Jimmy Buffett

Margaritaville may not appear on a map, but it does exist--at least in the brilliantly creative, sometimes slightly skewed imagination of Jimmy Buffett. *Tales from Margaritaville* is a collection of short stories (some purely fiction, some based in truth) so vividly packed with restless dreamers, wild wanderers, and pure gypsy souls that just reading it is a wild adventure. Travel along with a cowboy named Tully Mars, as he heads from Heartache, Wyoming, to Graceland, and relive the autobiographical odyssey of a third-generation sailor and first-rate musical outlaw. With unforgettable stories that present the true roamer's twin loves--the sea and the road--*Tales from Margaritaville* is one "smooth sailing book of infinite imagination" (*Chicago Sun-Times*).

Editorial Review

Review

PRAISE FOR *TALES FROM MARGARITAVILLE*

"Good natured tales of free-spirited characters . . . In fact, Mr. Buffett's lighthearted endorsement of adventure is so persuasive that, upon finishing the book, many readers will be tempted to get out their maps."--*The New York Times Book Review*

"Buffett created his own Lake Wobegon in a place called Heatwave."--*Houston Chronicle*

From the Publisher

Having grown up on Jimmy Buffett's songs in the '70s, especially Margaritaville and Cheeseburger in Paradise, I read with interest his first book "Tales from Margaritaville". Not surprisingly, it had the same wonderful style and spirit of his songs--funny, original, free-spirited. It seemed to me that Jimmy Buffett was truly living--and chronicling-- the American Dream. But what I found most interesting was a story I heard during one of his first bookstore signings (in Virginia or Georgia, I think). The day of the book-signing, hundreds and hundreds of people showed up and the line snaked around several blocks. But what was truly interesting was the mix of people--teenagers, aging hippies, moms and dads, blue-haired old ladies--all proud to call themselves "Parrotheads". Buffett's new book "A Pirate Looks at Fifty" is currently a bestseller proving that Jimmy Buffett's appeal is as timeless as he is.

--Maureen O'Neal

From the Inside Flap

"Entertaining....The whole volume is a tribute to Buffett's storytelling skills and his essentially sunny, manana-influenced worldview."

THE HOUSTON POST

Just where is Margaritaville anyway? It's not on a map, but it does exist, in the brilliantly creative, sometimes slightly skewed imagination of Jimmy Buffett. Now the man who brought us such memorable hit tunes as "Cheeseburger in Paradise," "Changes in Lattitudes, Changes in Attitudes," and "Margaritaville," has turned his singular talent to writing short stories, some fictional, some not. The happy result is *TALES FROM MARGARITAVILLE*, a collection so vividly packed with restless dreamers, wild wanderers and pure gypsy souls that just reading it is an adventure itself.

Users Review

From reader reviews:

Michael Hill:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each guide has different aim or perhaps goal; it means that guide has different type. Some people experience enjoy to spend their time to read a book. They can be reading whatever they get because their hobby is usually reading a book. Why not the person who don't like reading through a book? Sometime, man feel need book when they found difficult problem or even exercise. Well, probably you will require this Tales from Margaritaville: Fictional Facts and Factual Fictions.

Ernest Ainsworth:

What do you concentrate on book? It is just for students as they are still students or the item for all people in the world, exactly what the best subject for that? Just simply you can be answered for that query above. Every person has diverse personality and hobby for every other. Don't to be pressured someone or something that they don't desire do that. You must know how great and also important the book Tales from Margaritaville: Fictional Facts and Factual Fictions. All type of book would you see on many resources. You can look for the internet methods or other social media.

Douglas Dossett:

As people who live in the actual modest era should be upgrade about what going on or facts even knowledge to make these people keep up with the era and that is always change and move ahead. Some of you maybe will probably update themselves by studying books. It is a good choice to suit your needs but the problems coming to an individual is you don't know which one you should start with.
