The Love Bite: Alien Interference in Human Love Relationships By Eve Lorgen

The Love Bite presents us with a woman's refreshing view of the UFO and alien abduction phenomena. Many people find themselves mysteriously thrown into obsessive relationships, but a few otherwise reliable witnesses claim to have been set up into bonding dramas by alien beings. Eve Lorgen is determined to solve the mystery. By her definition, the Love Bite is a kind of "psychic rape" whereby the victim is abducted, then manipulated into bonding with a targeted love partner chosen by the alien beings. The effects of the Love Bite can range from simple break-ups of platonic relationships, to violent divorces and from "puppy love" to sudden urges to marry a stranger. Through several fascinating case histories, Lorgen demonstrates how the aliens may be orchestrating these dramas for their own ends. It is as if the aliens are harvesting human emotional energy.

Review

PROPERTY...It's a curious word because it swings both ways. When I first started my UFO research back in the '60's", the first book I was directed to read was Charles Fort's, Book of the Damned, a four volume series of the strange & unusual, including UFO's. Smack in the middle of these alleged truthful newspaper clippings, etc., Forts states: WE ARE PROPERTY...I have been searching ever since for the ROOT of this statement.

While attending a Long Island "Alien Abduction" seminar, Eve Lorgen was the FIRST person I ever heard speak in public about the sensitive & shocking disclosure of Dr. Karla Turner, author of Masquerade of Angels, who had given a specific indication that the "deed" for at least some of us, if not all, is being temporarily held by REPTILIAN beings of the alien kind.

Now, in this magnificent follow-up to the late Dr. Karla Turner's work, this author of The Love Bite, identifies a litany of other unfortunate people besides Ted Rice (featured in Masquerade of Angels) whose 'deed' may be in the temporary custodianship of non-human entities also.

By the time one finishes this book, one may wish to carefully reappraise the "deed" to one's spiritual property. One thing is clear: All these people have witnessed the "other side" of TOTAL REALITY, and desperately had wished to regain both their sanity, their peace, and if humanly possible--THEIR TURF...the integrity of both body & soul...

Eve is a SPIRITUAL WARRIOR-- as was Dr. Turner, and she explores the spiritual ways of tearing up whatever DEED exists amidst these evil alien & not-so-alien beings. Calling on JESUS CHRIST seems ostensibly to help some out of their difficulties, whereas getting mixed up with people who channel beings like Ashtar, only seems to lead to more problems.

In The Gospel of Philip (Nag Hammaddi Library), the Gnostic author suggests that by tearing up the deed to this property (Satan's Turf)--that passes away, and in neither fearing nor loving the flesh, we disenfranchise ourselves, and in its place, create a NEW DEED, where just like Jesus, we become ONE WITH THE FATHER. If we do it perfectly, we become part of the PERFECT LIGHT! This deed we may not wish to tear up.

When you finish reading this most excellent book by Eve Lorgen, it may bring new meaning to the phrase: "by their fruits you shall know them." By testing the 'spirits', (yes--even confronting them), your own sense of spiritual discernment may be nicely sharpened for the first or next battle-encounter TOTAL REALITY may have in store for you! -- *Brian Levens, Writer, Poet and college UFO Resarcher*
