### Build Your Own Electric Guitar By Martin Oakham

Every guitarist dreams of owning a superb quality custom-made instrument, but the cost of this is most often prohibitive. Building your own guitar is an extremely rewarding and satisfying way of realising your ambition without making a huge financial outlay. Complete with information on design, wood selection, hardware, tools and techniques, it allows you to select every element to create your own unique personalised instrument, and full size plans are included for ease of use. All aspects of construction are explained in detail, with step-by-step colour photographs, diagrams and clear instructions for each procedure. With professional tips from a master luthier, this comprehensive book takes the mystery out of guitar making.

### Editorial Review

#### From the Publisher

Every guitarist dreams of owning a high-quality custom-made instrument, but the cost is often prohibitive. Building your own guitar is an extremely rewarding and satisfying means of realizing your ambition without making a huge financial outlay. In **Build Your Own Electric Guitar**, expert information on design, wood selection, hardware, tools, and techniques allows you to create your own personalized instrument, and full-size plans are included for ease of use. All phases are explained in clear detail, with step-by-step color photos, diagrams, and instructions included for each of the procedures. Written by a master luthier, this outstanding guide takes the mystery out of making a guitar.

#### About the Author

Since building his first guitar on his living room table with a few specialist tools, Martin Oakham, has never looked back and has spent the last 20 years hand-making guitars for the professionals from his workshop in England. His customers are truly global, spanning Japan, Korea, the USA and Europe. With a background as a Grade A toolmaker, and a professional engineer, he combines traditional elements with new design techniques to create beautiful guitars from the best materials available.

### Users Review

#### From reader reviews:

##### **Mary Deemer:**

Reading a guide can be one of a lot of pastime that everyone in the world likes. Do you like reading book thus. There are a lot of reasons why people fantastic.
