Most of us remember at least some of our dreams. But do you know how to interpret their meaning and use them to solve your toughest problems? Dr. Ann Faraday's classic *Dream Power* has helped more than 500,000 people recognize the importance of their dreams and learn how to use the messages and information they reveal to enrich their lives. This acclaimed dream primer will help you learn:

- The difference between dreams and “dreamlets”
- Hints for recalling forgotten or repressed dreams
- The true meaning of REM sleep
- Realistic dream interpretation
- How to use your dreams for creative inspiration
