Dubliners (Norton Critical Editions) By James Joyce

***Dubliners* is arguably the best-known and most influential collection of short stories written in English, and has been since its publication in 1914.**

Through what Joyce described as their "style of scrupulous meanness," the stories present a direct, sometimes searing view of Dublin in the early twentieth century. The text of this Norton Critical Edition is based on renowned Joyce scholar Hans Walter Gabler's edited text and includes his editorial notes and the introduction to his scholarly edition, which details and discusses *Dubliners*' complicated publication history. "Contexts" offers a rich collection of materials that bring the stories and the Irish capital to life for twenty-first century readers, including photographs, newspaper articles and advertising, early versions of two of the stories, and a satirical poem by Joyce about his publication woes. "Criticism" brings together eight illuminating essays on the most frequently taught stories in *Dubliners*?"Araby," "Eveline," "After the Race," "The Boarding House," "Counterpoints," "A Painful Case," and "The Dead." Contributors include David G. Wright, Heyward Ehrlich, Margot Norris, James Fairhall, Fritz Senn, Morris Beja, Roberta Jackson, and Vincent J. Cheng. 8 maps; 20 illustrations

Editorial Review

From Publishers Weekly

Starred Review. Frank and Malachy McCourt and 13 Irish actors bring Joyce's short stories to life in this well-produced audiobook. None of the readers employ a thick accent in the narrative portions, but for dialogue they let their imitative talents shine and their Irish lilts bloom. Brendan Coyle and Charles Keating, reading "A Little Cloud" and "Grace" respectively, give such wonderful expression to the idiosyncrasies of every individual voice that the listener is never confused even when numerous men are talking. Joyce wrote only sparingly in actual dialect, but most of the readers interpret his intentions freely and successfully.

Fionnula Flanagan is perfect reading "A Mother," her voice shifting easily between prim and proper tones and fiery indignation punctuated with little sighs. It helps that Joyce's writing is so masterful that when Flanagan and the two other actresses read the three stories that revolve around women, their words sound utterly natural. Not all the performances are on the same level—Stephen Rea's cold, somber voice is apt for the meditative beginning and ending sections of the collection's most famous story, "The Dead," but too flat for the central description of a lively party. This audiobook creates the atmosphere of a fireside storytelling session that will hold any listener in rapt attention. (May)

Review

"... the stories have a certain beauty, especially in a new recording from Caedmon Audio. Dubliners will endure not only because it's Joyce, but also because of the people performing it. The list of narrators reads like an Irish who's-who . . . It's worth every minute." -- *Philadelphia Inquirer*

"Aha! So this is what Joyce is supposed to sound like." -- *The Philadelphia Inquirer*

"Caedmon has done a brilliant job in matching each story to a reader, resulting in fifteen readings as unique and personal as the stories themselves, each one glowing with individuality, color, and nuance." -- *The Brazen Head*

"Even better than reading Joyce is having Joyce read to you, and the readers here are superb..." -- *Bookpage*

"One of the classiest productions ever released . . . " -- *The New York Post*
