**Embody: Godly Games (Web of Hearts and Souls #2) (Insight series)** By Jamie Magee

Willow Haywood scarcely survived her first trial. The mysterious magic Drake Blakeshire used to entrap her days before haunts her fear-stricken thoughts. Was he a walking devil? Or an angel who was sadly manipulated but dark forces--a dark God?

Willow wanted to believe Esterious is nothing more than a fantasy world betterleft alone, but morals chained her to a royal duty to help those she'd leftbehind in a past life.

Willow's eagerness is just as deadly as it is dangerous. She does not care for the mythology others wish to guide her with, nor the supernatural powers shemust strengthen. The bone deep passion she has for her soul mate is the onlyelement that gives her pause. As powerful as those stolen moments are they failto stop her from making a fatal mistake.

One step in the wrong direction takes everything and everyone away from her. Tosurvive the war of hearts and souls she must see through the eyes of another.

Every side has its truths...
