### Editorial Review

#### Review

"In this easy-to-read guide, every reader will discover a means of getting out of at least one jam." (Library Journal)

#### About the Author

Peggy Post, Emily Post's great-granddaughter-in-law, is a director of The Emily Post Institute and the author of more than a dozen books. Peggy writes a monthly column in *Good Housekeeping* and an online wedding etiquette column for the *New York Times*.

#### From [AudioFile](#)

The great-granddaughter-in-law of etiquette doyenne Emily Post updates the "dos and don'ts" of contemporary social interaction. Susan Bennett confidently presents logically grouped categories of behavior--family, business relationships, and everyday social encounters. Lighthearted but helpful guidelines include teaching children to be polite to each other and adults, to be aware of public decorum, such as not wiggling and fussing in restaurants, and to gracefully share with others. Bennett adopts a more serious tone when covering party behavior, such as what to do about double-dippers, how to treat late dinner guests, and when to write thank-you notes. What makes all this work so well is Bennett's smooth, intimate voice and nonjudgmental attitude. M.T.B. © AudioFile 2007, Portland, Maine-- *Copyright © AudioFile, Portland, Maine*
