### Getting Lucky By Susan Andersen

Road trip!

It started out as an impulsive lark for Lily Morrisette, fueled by her strong chemical reaction to sexy Zach Taylor. A tough, blustery, yet tender-in-spite-of-himself career military man, Zach's determined to break up his darling "baby sister" Glynnis's wedding engagement . . . and Lily's coming along for the ride. But there's no Glynnis waiting for them at the end of the line—only a ransom note . . . and a death threat.

Amid a dangerous nest of family secrets, the heat between Zach and Lily soon becomes unbearable as a kidnapper's dark and twisted scheme pulls them closer than either dreamed possible. And when passion explodes, Lily's reckless act could prove to be either the best risk she's ever taken . . . or her last.

### Editorial Review

From Publishers Weekly

Marine Zach Taylor is stubborn, overbearing and paranoid. But he's also handsome, which counts for a lot in Andersen's sexy romances (Head Over Heels, etc.). When he comes home on leave and meets curvaceous chef Lily Morrisette at his sister's place, he immediately assumes that she's after Glynnis's substantial trust fund. On the rare occasions he stops making her life miserable on this account, it's only because he suspects Glynnis's new fiancee, David, of the same thing. Upon discovering that Glynnis has gone to visit David's family, Zach rushes off to save his sister with Lily in tow. After that snafu is untangled, a Colombian with a grudge against Zach kidnaps Lily. Zach is surprisingly ineffective and unlikable right up to his 11th-hour romantic capitulation, while Lily's sexual, culinary and financial sophistication seems unusual for a woman who curses by saying "holy petunia" and "oh, poop." But perfect pacing, steamy sex and a fun cast of secondary characters make up for what's missing in character consistency. From David's belatedly blossoming sister to Zach's charming Marine buddies, the story's supporting cast adds human warmth and an extra dose of fantasy.
