### Here Comes Trouble: Stories from My Life By Michael Moore

"I had an unusually large-sized head, though this was not uncommon for a baby in the Midwest. The craniums in our part of the country were designed to leave a little extra room for the brain to grow in case one day we found ourselves exposed to something we didn't understand, like a foreign language, or a salad."

Michael Moore-Oscar-winning filmmaker, bestselling author, the nation's unofficial provocateur laureate-is back, this time taking on an entirely new role, that of his own *Forrest Gump*.

Breaking the autobiographical mode, he presents twenty-four far-ranging, irreverent, and stranger-than-fiction vignettes from his own early life. One moment he's an eleven-year-old boy lost in the Senate and found by Bobby Kennedy; and in the next, he's inside the Bitburg cemetery with a dazed and confused Ronald Reagan. Fast-forwarding to 2003, he stuns the world by uttering the words "We live in fictitious times... with a fictitious president" in place of the expected "I'd like to thank the Academy."

And none of that even comes close to the night the friendly priest at the seminary decides to show him how to perform his own exorcism.

Capturing the zeitgeist of the past fifty years, yet deeply personal and unflinchingly honest, *HERE COMES TROUBLE* takes readers on an unforgettable, take-no-prisoners ride through the life and times of Michael Moore. No one will come away from this book without a sense of surprise about the Michael Moore most of us didn't know. Alternately funny, eye-opening, and moving, it's a book he has been writing-and living-his entire life.

### Editorial Review

#### Review

Hilarious Guardian A comic genius Independent Caustic, breakneck, tell-it-like-it-is ... He's a genuine populist; a twenty-first century pamphleteer Observer Moore has mastered the rare trick of being passionate and funny at the same time New Statesman Moore is a worldwide force ... a cultural icon The Times Outstanding ... with the book's emotional highs and lows, and self-deprecating, empathetic style, Moore triumphs. ... enlightening, engaging, and occasionally enraging Publisher's Weekly Here Comes Trouble is by far Mr. Moore's best book...[his] coming of age as a working-class malcontent is...something to behold. It's the story of a big lunk who learns to yoke his big mouth to a sense of purpose. It persuades you to take Mr. Moore seriously, and it belongs on a shelf with memoirs by, and books about, nonconformists like Mother Jones, Abbie Hoffman, Phil Ochs, Rachel Carson, Harvey Pekar and even Thomas Paine. -- Dwight Garner New York Times

#### About the Author

Michael Moore is a filmmaker and author. He was born in Flint, Michigan.

### Users Review

#### From reader reviews:

##### **Joseph Ortiz:**
