## Insights into Evolutionary Astrology: A Diverse Collection of Essays by Prominent Astrologers By Rose Marcus

Evolutionary astrology holds the key to life's most profound mysteries: Where does the soul come from? How can we grow spiritually? What are our intended life lessons?

Shedding new light on these vitally important questions, well-known astrologer Rose Marcus has compiled a collection of illuminating essays by today's foremost evolutionary astrologers. Each contributor offers fascinating perspectives on evolutionary astrology and explores various aspects of Pluto's role in determining the soul's evolving needs and desires.

Jeffrey Wolf Green, the world-renowned founder of this specialized field of study, begins the book with an exploration of the four natural evolutionary laws that propel soul growth. Deva Green continues with a discussion of how Pluto drives our evolutionary growth, illustrated with case studies and charts of notable figures such as President Barack Obama.

Contributors also explore Pluto's influence on the sexual and relationship characteristics of each zodiacal sign, the fulfillment of human potential, the dynamics between twins, past life regression, the interpretive importance of planetary nodes, and the cultural significance of Pluto entering Capricorn.

Features original essays by Jeffrey Wolf Green, Deva Green, Kim Marie, Maurice Fernandez, Kristin Fontana, Patricia L. Walsh, Mark Jones, and Rose Marcus.

### Praise:

"If you have ever wondered about the premises of evolutionary astrology, this book is a must read, covering many dimensions of the subject expounded by highly respected teachers, lecturers, and authors of the system as well as the founder himself, Jeffrey Wolf Green. It is insightful, inspirational, and even controversial, providing the reader with much to ponder."?CHRIS MCRAE,

professional astrologer and vice president of the International Society of Astrological Research

"[*Insights into Evolutionary Astrology*] is one of the most insightful and original books on the subject of astrology that is currently in print. The articles are very diverse, well thought out and presented in an easily and understandable fashion for both the practicing astrologer and interested lay person." ?LYNN NEESE, former president of both the Seattle Astrologers Association and the Washington Astrologers Association
