Middle School: How I Got Lost in London: (Middle School 5) By James Patterson

As school trips go, this one is pretty awesome. When I was told we were going to London to study Living History, I thought they were joking. But here I am! Rafe Khatchadorian - global jetsetter! Now all I need to do is find a way of avoiding the school bully, getting Jeanne Galletta to talk to me, and try not to get lost in London. But things are never that simple. So fasten your seatbelts and hold on tight, because this could be a very bumpy flight.
