### **Paper Rose (Hutton & Co. Book 2) By Diana Palmer**

Her love for him was like a paper rose, which longed for the magic to make it real...

Compellingly handsome Tate Winthrop once boldly came to Cecily Peterson's rescue. Her devotion to him knew no bounds, but since the fiercely proud Native American refused to consider a mixed marriage, their passion remained unfulfilled. Shattered by Tate's rejection, Cecily had been forced to leave the man of her dreams.

Now she was back and destined to win. But when Tate becomes caught in the middle of a shocking political scandal, she realizes they need each other now, more than ever. And this time it is Cecily, a woman embarking on a brilliant career, who comes to his rescue and attempts to shield the man she loves from a devastating secret that could destroy his life....

### Editorial Review

#### Amazon.com Review

Setting: Contemporary Washington D.C. and South Dakota

Sensuality Rating: 8

Archaeologist Cecily Petersen has loved Tate Winthrop since she was a teen, but the handsome Native American refuses to consider a mixed marriage. Instead, he becomes her white knight, protecting her from an abusive stepfather and arranging college grants and housing. But when Cecily discovers that the "grants" were actually outright gifts from Tate, she's furious. Her anger shifts their relationship from friends to lovers and forces them both to confront deeply held convictions and fears. When Cecily learns of a political scandal that could threaten Tate, she's determined to shield him, even though she knows it's likely that he'll never forgive her for the necessary deception. With political scandal in D.C., nefarious shenanigans on the reservation, and sizzling passion between the hero and heroine, *Paper Rose* delivers everything Palmer's readers have come to expect and more. --*Lois Faye Dyer*

### Users Review

#### From reader reviews:

##### Mamie Bostic:

Nowadays reading books be than want or need but also work as a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book in which improve your knowledge and information.
