Performing Remains: Art and War in Times of Theatrical Reenactment By
Rebecca Schneider

'At last, the past has arrived! *Performing Remains* is Rebecca Schneider's authoritative statement on a major topic of interest to the field of theatre and performance studies. It extends and consolidates her pioneering contributions to the field through its interdisciplinary method, vivid writing, and stimulating polemic. *Performing Remains* has been eagerly awaited, and will be appreciated now and in the future for its rigorous investigations into the aesthetic and political potential of reenactments.' - Tavia Nyong'o, Tisch School of the Arts, New York University

'I have often wondered where the big, important, paradigm-changing book about re-enactment is: Schneider's book seems to me to be that book. Her work is challenging, thoughtful and innovative and will set the agenda for study in a number of areas for the next decade.' - Jerome de Groot, University of Manchester

Performing Remains is a dazzling new study exploring the role of the fake, the false and the faux in contemporary performance. Rebecca Schneider argues passionately that performance can be engaged as what remains, rather than what disappears.

Across seven essays, Schneider presents a forensic and unique examination of both contemporary and historical performance, drawing on a variety of elucidating sources including the "America" plays of Linda Mussmann and Suzan-Lori Parks, performances of Marina Abramovic and Allison Smith, and the continued popular appeal of Civil War reenactments. *Performing Remains* questions the importance of representation throughout history and today, while boldly reassessing the ritual value of failure to recapture the past and recreate the "original."

Editorial Review

Review

'At last, the past has arrived! *Performing Remains* is Rebecca Schneider's authoritative statement on a major topic of interest to the field of theatre and performance studies. It extends and consolidates her pioneering contributions to the field through its interdisciplinary method, vivid writing, and stimulating polemic. *Performing Remains* has been eagerly awaited, and will be appreciated now and in the future for its rigorous investigations into the aesthetic and political potential of reenactments.' - *Tavia Nyong'o, Tisch School of the Arts, New York University*

'Over the past years I have often wondered where the big, important, paradigm-changing book about re-enactment is: Schneider' s book seems to me to be that book. Her work is challenging, thoughtful and innovative and will set the agenda for study in a number of areas for the next decade.' - *Jerome de Groot, University of Manchester*

'Like a blast from the future, *Performing Remains* is a mind-bending, time-tripping exploration of the folds between the live and the mediated, once and again, what is passed through and what is still here. Rebecca Schneider has written a vital and revitalizing book, which will redefine the kinds of questions we can ask with performance and performance studies.' - *Ann Pellegrini, New York University*

'This is a strikingly original, meditative study. Taking up the question of re-performance or re-enactment, Schneider ranges widely over the contemporary scene of performance, taking in a quite astonishing range of materials?contemporary plays, disciplinary concerns in the field of performance studies, the work of experimental companies, photography, protest, and more. In the strongest sense, this book presents a richly provocative mimesis of thought, in which a major critic deftly and productively follows important questions where they lead. It's an inimitable performance, but one that will be deeply and gratefully mined by its readers.' - *W. B. Worthen, Barnard College, Columbia University*

'Rebecca Schneider's long-awaited book *Performing Remains* offers a major contribution to performance studies discussions and debates around liveness and temporality. Framing her study with re-enactments of the US Civil War (both 'traditional' and contemporary artist-driven), Schneider weaves together extra-theatrical militaristic re-enactments with theatrical performance and re-performance, as well as sculpture and photographic representation, to question rhetorics of performance as disappearance and to consider the archive as a space of performance. Across five chapters, plus a foreword and an afterword, Schneider's wide-ranging intellect and poetic style produce a powerful argument that is a delight to read.' - *Joshua Abrams, Contemporary Theatre Review*

About the Author

Rebecca Schneider is Chair of the Department of the Theatre, Speech and Dance at Brown University. She is the author of *The Explicit Body in Performance* (Routledge, 1997) and co-editor of *Re:direction: A Theoretical and Practical Guide* (Routledge, 2001)

Users Review

From reader reviews:

Catherine Scott:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each guide has different aim or even goal; it means that e-book has different type. Some people experience enjoy to spend their the perfect time to read a book. They are reading whatever they have because their hobby is reading a book. Consider the person who don't like studying a book? Sometime, particular person feel need book when they found difficult problem or exercise. Well, probably you will want this *Performing Remains: Art and War in Times of Theatrical Reenactment*.

Dawn Dustin:

What do you regarding book? It is not important along with you? Or just adding material if you want something to explain what yours problem? How about your free time? Or are you busy individual? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every person has many questions above. They should answer that question because just their can do which. It said that about publication. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this kind of *Performing Remains: Art and War in Times of Theatrical Reenactment* to read.

Charles Smith:

Information is provisions for anyone to get better life, information presently can get by anyone at everywhere. The information can be a knowledge or any news even restricted. What people must be consider whenever those information which is within the former life are challenging be find than now could be taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you have the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All of those possibilities will not happen in you if you take *Performing Remains: Art and War in Times of Theatrical Reenactment* as the daily resource information.

Allison Lyon:

Beside that *Performing Remains: Art and War in Times of Theatrical Reenactment* in your phone, it could possibly give you a way to get closer to the new knowledge or facts. The information and the knowledge you can got here is fresh in the oven so don't be worry if you feel like an outdated people live in narrow small town. It is good thing to have *Performing Remains: Art and War in Times of Theatrical Reenactment* because this book offers to you readable information. Do you occasionally have book but you would not get what it's facts concerning. Oh come on, that would not happen if you have this with your hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss it? Find this book and also read it from right now!
