### **Editorial Review**

From the Author

Hello everyone! My name is Katie and this is my swear word coloring book Sit the F\*ck Down and Color. What's more relaxing than coloring books? What's more stress relieving than swearing? Combining the two that's what!!! Whether you had a bad day at the office, got stuck in traffic, or got bothered by that jerk of a neighbor you have, I am here to help! Just sit back, relax, and start coloring. I promise you will feel better in minutes.

From the Inside Flap

I take great pride in my art, but even more pride expanding your minds into new lands of depravity. However, please keep these new words away from children....they are our future for f\*cks sake!!! This book may not be for kids, but it will certainly tug at your inner child. Coloring puts a big smile on my face, but coloring the word a\*\*bag makes me laugh out loud. I hope you will too.

Now Sit The F\*ck Down and Color.

From the Back Cover

Adult coloring books are as unique as you. Each page is designed with you in mind. I hope you enjoy coloring this book as much as I enjoyed designing it. Whether you're having a bad day or a fantastic one, coloring the word a\*\*hole will surely brighten your day. Now that you have my designs, the art is up to you! Enjoy!
