Editorial Review

Review

"...The Early Settlement of North America [is] most impressive. Haynes presents a wide-ranging, lively, detailed discussion of his ideas and supporting data." *Science*

About the Author

Gary Haynes is Foundation Professor of Anthropology at the University of Nevada, Reno. For eight years (2003-2011) he was President of the Commission on Palaeoecology and Human Evolution in INQUA (the International Union for Quaternary Research). He has done fieldwork research on free-roaming elephants in southern Africa for over 30 years, and has also specialized in the study of earliest American Paleoindian cultures. Current research is focused on Zimbabwean prehistory and paleoenvironments.
