### The King's Concubine: A Novel of Alice Perrers By Anne O'Brien

*A child born in the plague year of 1348, abandoned and raised within the oppressive walls of a convent, Alice Perrers refused to take the veil, convinced that a greater destiny awaited her. Ambitious and quick witted, she rose above her obscure beginnings to become the infamous mistress of Edward III. But always, essentially, she was alone...*

Early in Alice's life, a chance meeting with royalty changes everything: Kindly Queen Philippa, deeply in love with her husband but gravely ill, chooses Alice as a lady-in-waiting. Under the queen's watchful eye, Alice dares to speak her mind. She demands to be taken seriously. She even flirts with the dynamic, much older king. But she is torn when her vibrant spirit captures his interest...and leads her to a betrayal she never intended.

In Edward's private chambers, Alice discovers the pleasures and paradoxes of her position. She is the queen's confidante and the king's lover, yet she can rely only on herself. It is a divided role she was destined to play, and she vows to play it until the bitter end. Even as she is swept up in Edward's lavish and magnificent court, amassing wealth and influence for herself, becoming an enemy of his power-hungry son John of Gaunt, and a sparring partner to resourceful diplomat William de Windsor, she anticipates the day when the political winds will turn against her. For when her detractors voice their hatred, and accusations of treason swirl around her, threatening to destroy everything she has achieved, who will stand by Alice then?

### Editorial Review

#### Review

"Better than Philippa Gregory" - The Bookseller 'Anne O'Brien has joined the exclusive club of excellent historical novelists.' - Sunday Express"

#### About the Author

Anne O'Brien taught History in Yorkshire before deciding to fulfill an ambition to write historical fiction. She now lives in an eighteenth century timbered cottage with her husband in the Welsh Marches. Steeped in history, as well as ghosts and folklore, the Marches provide inspiration for her interest in medieval England. Anne has a strong presence on Twitter

### Users Review
