**Theory in an Uneven World** By R. Radhakrishnan

This major intervention into debates about the postcolonial and the global proposes that theory should embody unevenness as symptom even as it envisions strategies to get beyond unevenness. Radhakrishnan's thought-provoking engagement with theorists and writers from around the world will fascinate readers across a wide range of disciplines.

- A major intervention into debates about the postcolonial and the global.
- Proposes that theory bear the burden of unevenness even as it seeks a way out of it - neither captive to the world as it is, nor naively credulous of visions of the world as it should be, theory argues for an ethics of persuasion that is firmly rooted in political resistance.
- Engages with a wide range of theorists and writers from around the world.
- Ranges over fields as diverse as critical theory, postmodernism, poststructuralism, postcolonialism, minority studies, cultural studies and anthropology.

### Editorial Review

#### Review

"R. Radhakrishnan belongs to a generation of critics which has enriched contemporary literature by revolutionizing the literary canon. He is one of the foremost of this generation and deservedly so." *Amitav Ghosh*, author of *The Glass Palace*

"Written with a magnanimous spirit and vision, *Theory in an Uneven World* is a welcome reminder of the challenges theoretical thinking continues to pose. I applaud R. Radhakrishnan for countering the fashionable gesture of theory-bashing with such intensely engaging critical discussions." *Rey Chow, Brown University*

"In a world ridden with unevenness, Radhakrishnan's intense analyses invoke the need for shattering the self-reflexive discourses of the academy so as to open them up to the demands of the oppressed." *Robert J.C. Young, New York University*

#### From the Back Cover

How can we handle the unevenness between the West and the Rest? How inevitable is the binary logic of winners and losers? How can theory help us resolve our ethical and political problems? Can theory help us think beyond the "winner talks all" model by articulating strong connections between ethics and politics?

This major intervention into debates about the postcolonial and the global proposes that theory should embody unevenness. Radhakrishnan's thought-provoking engagement with theorists and writers from around the world will fascinate readers across a wide range of disciplines.

## Users Review

### From reader reviews:

#### **Alyssa Cox:**

Have you spare time for just a day? What do you do when you have more or little spare time? Yep, you can choose the suitable activity intended for spend your time.
