What Every Law Student Really Needs to Know: An Introduction to the Study of Law By Tracey E. George, Suzanna Sherry

With the aim of decreasing students' anxiety and increasing their chances of achieving academic success, **What Every Law Student Really Needs to Know: An Introduction to the Study of Law** prepares students to get through their first year of law school. As a valuable reference over an entire law school career, it will continue to contribute to students' academic success.

With a friendly and informal writing style, this orientation to law school features:

- **insight into how and why law school works** the way it does
- **tools, techniques, and information** for understanding first-year substantive law as fully as possible
- **an overview of the American legal system and court structure**
- **a concise review of basic civics**, including the structure of American government and sources of law
- introductions to **analytic tools** and **methods of reasoning**
- **clear descriptions of basic legal concepts**, such as standards of review and burdens of proof
- **a look ahead at the goals of a legal education**—and the life, duties, and responsibilities of being a lawyer
- **exercises that allow students to independently test their understanding** of the material in a particular section
- **visual aids** that help students grasp and remember the material
- **a short primer on American history and legal philosophy** as each is relevant to the study of law provides a self-study resource that students may use as they need

What Every Law Student Really Needs to Know: An Introduction to the Study of Law offers a companion website that includes PowerPoint slides, problems, quizzes, and additional in-class exercises—as well as teaching notes that explain how to use this complete teaching package to greatest advantage.
