The Codex Sinaiticus is not only one of the most important manuscripts for the purposes of biblical translation and for the study of the textual history of the Christian Bible, it is also a beautiful and fascinating piece of history. Now you can display the delicate beauty of this important text--its parchment, inks, and scars, all visible in incredible detail--for all to see. We have selected two of the most historically significant and best preserved of these pages to reproduce as prints, suitable for framing. Painstakingly photographed using the latest digital technology and a careful imaging process, the folios are printed on premium, acid-free paper and come in a tube sturdy enough to be shipped.
