**Daddy's Girls** By Tasmina Perry

**"I THINK ONE OF DADDY'S LITTLE GIRLS KILLED HIM."**

For the four glamorous daughters of Lord Oswald Balcon, money can buy anything. From Fendi handbags to Ivy League educations, they live in a world of designer labels and unrestricted opulence -- their father's money and aristocratic status, coupled with their dazzling good looks, bought them every opportunity and advantage. They are beautiful, blond, and barely thirty, and the world is their luxury playground.

**Venetia**, the sophisticated interior designer, has booming professional success but is desperate for a child and an escape from a loveless marriage. **Camilla**, the rising political star, is too brilliant and ambitious for any of her unworthy lovers to handle. Sweet yet savvy **Cate** is living out her ultimate dream, launching her own magazine, with an all-too-handsome business partner. The baby of the family, **Serena**, is one of the country's most beautiful actresses, on the cusp of international stardom, but her party-girl lifestyle is bringing about more scandal than success.

The girls are the darlings of the London paparazzi, but when Lord Balcon turns up dead, the shadow of suspicion falls on his four daughters. A jealous tyrant, Daddy has tried to bring his daughters down all their lives. These four women -- at the top of their careers in show business, publishing, interior design, and politics -- must face an awful accusation, and each other, as they try to discover the truth that lies beneath the glossy surface of their lives. The facade of the Balcon family hides a web of deceit and betrayal, in which a thirty-year-old secret lurks, threatening to destroy them all.

From the sun-drenched beaches of the Caribbean to Manhattan's elite society circuit, from the exclusive fashion houses of Milan to the star-studded streets of Cannes, the Balcon sisters play out their lives in a whirl of glitz and the ultra chic. But as tragedy and danger stalk every one of them, the scene is set for a stunning climax.

### Editorial Review

From Publishers Weekly

Four daughters of wealthy Lord Oswald Balcon come under suspicion after he takes a fatal tumble in magazine journalist Perry's debut, a delightful offering for the beach set. Each daughter has a plausible motive. Actress Serena Balcon is involved with a ruthless hotelier tycoon, and her ensuing pregnancy could mean she carries the next Huntsford baron, but her father won't allow an illegitimate child to inherit the family fortune. Recently fired women's magazine editor Cate wants to put her own spin on a new upscale travel and fashion magazine, but daddy dearest tries to undermine it from the get-go. Venetia, head of a successful design company, yearns to branch out to the States, but dad, an important company shareholder, puts the kibosh on that as well. Barrister Camilla is singled out by her law firm to run for a vacant House of Commons seat, but Oswald, who has lost his seat in the House of Lords, tries to quash his daughter's political ambitions. The writing and plotting are swift, but Perry slaps on an unsatisfying conclusion and a too-pat epilogue. Still, her spicy first novel about four impossibly glam sisters and their power-driven, cantankerous father made a big splash in the U.K. and will likely do the same here. *(July)*

From [Booklist](#)

Perry delivers glamour, romance, and intrigue in the tradition of Jackie Collins but with a decidedly contemporary twist. The Balcon sisters are a new breed of British nobility--rich but not idle. No, these four beauties have high ambitions. They are Serena, the "it girl" actress; Cate, the overachieving magazine editor; Camilla, the budding politician; and Venetia, the head of a design empire. When their father drowns in the estate moat, fingers point at the sisters, who stand to benefit from his death. So they get to work clearing their names and unearthing some long-buried secrets. This tasty tome offers a voyeuristic view of life filled with high fashion, glitzy parties, and luxurious retreats, with risque sex and murder thrown into the mix. The perfect fix for readers looking for a frivolous treat, it's bound to make its way into a bevy of beach totes this summer. *Aleksandra Kostovski*
