### **Editorial Review**

#### **Review**

Chana Levitan's book is better than a marriage counselor: she doles out common-sense advice before the commitment to make sure it's done right. As someone who's been happily married to my best friend for 24 years, and still going strong, I know that getting married is the most important decision a person can make in life, yet there is little guidance out there for people. I Only Want to Get Married Once is a must-read for every single person, whether they are dating, divorced or just dreaming of marriage. Do it right the first time and you won't need a do-over. --Jennifer M. Granholm, Governor of Michigan

Indispensable tools for a marriage that will withstand the hurricane-force winds of today's culture. 'Must' reading for young people, older people, dating couples and married couples, parents, in-laws, clergy and therapists... --Rabbi Dr. Abraham Twerski, author; former clinical director, Department of Psychiatry, St. Francis Hospital, Pittsburgh

Too many people blindly stroll the aisle into marriage thinking they are madly in love, when actually they are blinded by infatuation. I Only Want to Get Married Once is a tool that will help single adults objectively evaluate their relationships and avoid the heartache of marrying the wrong person. It is also a helpful resource for improving existing marriages.. Knowing God's plan is that we marry for life, I highly recommend this practical concise book! --Rev. Jim Reimann, minister, Israel tour host, author, editor of the updated editions of Streams in the Desert and My Utmost for His Highest, and husband 38 years and counting.

#### **About the Author**

Chana Levitan is a renowned educator, author, lecturer, and relationship coach. Through her extensive professional experience over the past 22 years, she has counseled literally thousands of women and men. Chana resides in Jerusalem with her husband and children.
