In Stitches By Anthony Youn

Full of heart and humor, a memoir about becoming a doctor that's unlike anything you've ever read before.

All Tony Youn ever wanted was to fit in. One of two Asian-American kids in a small midwestern town, he was tall and thin with Coke-bottle glasses, Hannibal Lecter headgear, a bowl cut, and a protruding jaw that grew even faster than his comic-book collection. He finally got his chance senior year as he lay strapped in an oral surgeon's chair having his jaw broken and reset--a brutal makeover that led him to his calling.

Egged on by his overachieving Korean father ("Doctor never get fired."), Tony spent the next four years mired in the angst, flubs, triumphs, nonstop studying, intermittent heavy drinking, and sexual frustration of medical school. He entered a shy, skinny nerd with no nerve, no game, and no clue. He left a doctor.

Heartwarming and laugh-out-loud funny, *In Stitches* is a universal coming-of-age story about a kid who found the best in himself by bringing out the best in others and finally learned to be comfortable in his own skin.

Review

In Stitches was named a **2012 Michigan Notable Book** by the Library of Michigan.

In Stitches was a finalist in the **2011 Books For A Better Life Awards**.

Publisher's Weekly: *"Youn's description of his journey from high-school outcast to rock star plastic surgeon is full of fascinating stories and laced with self-deprecating humor in the midst of dark desperation, providing a refreshing insight into medicine."*

USA Today: *"Laugh out loud"*

Detroit Free Press: *"Readable, funny, disarming, and heartfelt"*

Huffington Post: *"In Stitches is a sometimes funny, sometimes painful, sometimes heartwarming recount of Dr. Youn's experiences on the road to becoming a doctor... a Scrubs meets David Sedaris story-line..."*

Lansing State Journal: *"In Stitches is a fast-paced, mesmerizing autobiography that's laced with dark humor and memorable scenes, including his discovery that a woman he's dating works as a carnival fire-eater."*

Kirkus Reviews: "Youn writes amusingly about his expectations... His hospital training experiences are described in humorous detail... [and] the story of his Korean family and his struggle to find his path have great appeal."

Review

"Dr. Youn is a frequent guest on my show, and I can say without a doubt that he's a cut above the rest."—Rachael Ray

"Surprisingly warm and unquestionably witty, *In Stitches* is a riveting look at the sacrifice it takes to become a premiere plastic surgeon. In a world where physicians can be almost god-like, Dr. Tony's not afraid to show us his heart, his humor, and his humanity. I adored *In Stitches* and even though I'm not ready to book Dr. Tony for a face-lift, I'd sure like to call him for lunch." —*New York Times* bestselling author Jen Lancaster

"Part 'Grey's Anatomy,' part 'Nip-Tuck,' *In Stitches* takes you under the knife to expose the layers of one doctor's journey to become not only a plastic surgeon but also his own man. A humorous, heartfelt, honest memoir about med school and MCATs, fathers and sons, and finding your place in the world, *In Stitches* will tickle your funny bone, touch your heart and make you think differently about your doctor." —critically-acclaimed author Wade Rouse

"*In Stitches* is a brilliant and bouncy read. Humorous and energetic, the author takes us along with him in medical school on his way to becoming a surgeon. He makes you feel as if you are along on the ride. Rich with dialogue, I found myself rooting for him in all sorts of circumstances from his first surgery to hitting on co-eds." —Dr. Drew Ordon, host of *The Doctors*

"Tony Youn traces his success to a stern Korean father and his own fanatical work ethic -- but the real secret is his fabulous sense of humor. If you're contemplating medical school, you'll need three things: resilience, caffeine, and *In Stitches* -- a raucously funny and genuinely affecting account of what becoming a doctor is really like." —Audrey Young, M.D., author of *What Patients Taught Me: A Medical Student's Journey*.

"*In Stitches* is well written, very readable and appropriately witty. I had the pleasure and opportunity of meeting and working with Dr Youn. I find him not only to be extremely capable and a great surgeon, but also a kind and generous man. In this book, I actually see a lot of myself in him. At times I was in tears and at others was laughing out loud. I highly recommend it!" —Dr. Robert Rey of *Dr. 90210*

"In 1980, I read *The House of God*, the sardonic story of residency training at Harvard's Beth Israel Hospital. Now, some 30 years later, readers are brought into the dorm room, the anatomy lab, the classroom, and the operating room with Dr. Youn as he describes his medical school training. The reader sweats the stresses and enjoys the laughs med students experience. I was touched by the honesty and frankness of the experiences he describes—most people understand the life of a doctor, but few understand the sacrifices that young men and women make while in medical school. Fasten your seatbelts and get ready for a fun ride. This memoir will certainly keep you *In Stitches*." —Arthur W. Perry, MD, FACS, author of *The Real Life of a Surgeon*

"Tony Youn's book is wonderful! Written from the heart, in a style that makes you want to read more, it is a touching, sensitive account of his journey. It should be read by everyone who's ever wanted to be a doctor, as well as anyone who's ever wanted to know what his doctor was thinking. A great read!" —Robert Marion, M.D., author of *Intern Blues*

"Laugh out loud"— *USA Today*

"Youn's description of his journey from high-school outcast to rock star plastic surgeon is full of fascinating stories and laced with self-deprecating humor in the midst of dark desperation, providing a refreshing insight into medicine." —*Publisher's Weekly*
