The Zane Collection #1: The Sex Chronicles, Nervous, and Skyscraper By Zane

Sometimes romantic, sometimes raw, *New York Times* bestselling author Zane presents three novels of intoxicating sensuality.

The Sex Chronicles

With a unique ability to tell it like it is—and also to tell it like it could be in your wildest dreams—Zane crafts stories about everyone from the sensual housewife who wants her husband to experiment more to a secret underground sorority of women that organizes some rather unconventional social events. By turns tender and outrageous, *The Sex Chronicles* is a pleasure from beginning to end.

Nervous

Jonquinette has always been nervous around men, but on the weekends her alter ego, Jude, goes on intense sexual escapades. When Jonquinette seeks the help of Dr. Marcella Spencer, the psychiatrist Zane originated in her bestselling novel *Addicted*, Jude's response is to go on a sexual rampage. In the meantime, Jonquinette becomes interested in her new neighbor, Mason, but Jude has no intention of letting Jonquinette fall in love—not when Jude's having so much fun. Based on a short story of the same title from her bestselling collection *The Sex Chronicles*, *Nervous* is classic Zane with an edge. So, relax, sit back. You're in for a nerve-tingling read.

Skyscraper

Most corporations hand out bonus checks or gift certificates for Christmas, but Wolfe Industries hands out drama. *Skyscraper* chronicles the week before the annual Christmas party at Wolfe Industries, an African American-owned automobile manufacturer. The week leading up to the Wolfe Industries annual Christmas party is unforgettable, as the lives of four people who have barely interacted with one another in the past begin to cross paths in the most disturbing ways. By the time the party is over, they will be lucky if the skyscraper is still standing.
