### Editorial Review

#### Review

“Steve Chapman has once again hit the mark with the expanded version of this outdoor classic. He has always been able to relate to the hearts of men who love the outdoors with short inspiring messages from each chapter, and then combined with the study guide it will enable teachers to bring additional new insights and applications to those who use them in a Sunday School Class or small group. You can experience the anticipation of the hunt, the missed moments and the joy of success as you follow Steve down a trail that encourages and enlightens you.”
