### European Politics By Paul Kubicek

European Politics surveys the history, institutions, and issues that are essential for understanding contemporary European politics. Exploring a central question—"What is Europe?", this text's thematic approach helps students compare politics in individual countries and see the political big picture in the region. European Politics examines not only countries already in the European Union but also those eligible to join to give students the most comprehensive picture of Europe's evolution in a globalized world.

### Editorial Review

#### Review

“An ambitious thematically-organized text that draws examples from across uniting Europe, Kubicek skillfully illuminates complex political issues in a way that undergraduates will find engaging. In addition to providing a useful frame within which European politics can be viewed, it covers the full repertoire of institutions and actions on which Europeans draw to address these issues.”—John Scherpereel, *James Madison University*

#### About the Author

Paul Kubicek is Professor of Political Science at Oakland University.

### Users Review

#### From reader reviews:

##### **Martha Wilson:**

What do you regarding book? It is not important along with you? Or just adding material when you really need something to explain what your own problem? How about your time?
