Heart of Darkness By Joseph Conrad

Following his massive--and massively successful--Moby Dick in Pictures, artist Matt Kish has set himself upon an equally impressive, and no less harrowing, task: illustrating each page of Joseph Conrad's masterpiece, Heart of Darkness.

Kish's rich, imaginative drawings and paintings mirror Conrad's original text and serve to illuminate Marlow's journey into the heart of the Congo, and into the depths of the human soul. Heart of Darkness is a text ripe for analysis and argument, formally and thematically; it explores matters of imperialism, racism, gender, and the duality of human nature. Kish's illustrations add another layer, and another voice in the conversation. Heart of Darkness is an essential edition for fans and students of Conrad's work, but is, above all, a piece of art all its own. Kish's introduction lends context to his approach, details his relationship and struggle with Conrad's work, and illuminates his own creative process. An index in the rear of the book catalogs the sentences and phrases that inspired each of the one hundred original pieces of art.

Editorial Review

Review

"**The brilliant mind behind *Moby Dick in Pictures*** is back to illustrate Joseph Conrad's classic."
—Flavorwire

"**Darkness never looked so good:** Matt Kish's illustrated edition of Joseph Conrad's classic follows the template he created with *Moby-Dick In Pictures* ."
— *The National Post*

"**For your friend who slept through English class**, an illustrated version of a classic: Heart of Darkness, written by Joseph Conrad and illustrated by Matt Kish."
— The Airship (picked Matt Kish's Heart of Darkness as one of the **best books of 2013!**)

"Two years after his infinitely wonderful illustrations for every page of *Moby-Dick*, which ranked among the best art and design books of 2011, self-taught Ohio-based artist Matt Kish returns with an equally exquisite edition of Joseph Conrad's *Heart of Darkness* (*public library*). With one haunting acrylic-paint-and-ink illustration for every page, Kish — whose artwork was included in the excellent compendium *The Graphic Canon, Vol. 3* — **reinvigorates the Conrad classic** and its timeless themes of race, gender, power, privilege, and the dualities of the human soul."
—Brainpickings

From the Publisher

Founded in 1906 by J.M. Dent, the Everyman Library has always tried to make the best books ever written available to the greatest number of people at the lowest possible price. Unique editorial features that help Everyman Paperback Classics stand out from the crowd include: a leading scholar or literary critic's introduction to the text, a biography of the author, a chronology of her or his life and times, a historical selection of criticism, and a concise plot summary. All books published since 1993 have also been completely restyled: all type has been reset, to offer a clarity and ease of reading unique among editions of the classics; a vibrant, full-color cover design now complements these great texts with beautiful contemporary works of art. But the best feature must be Everyman's uniquely low price. Each Everyman title offers these extensive materials at a price that competes with the most inexpensive editions on the market-but Everyman Paperbacks have durable binding, quality paper, and the highest editorial and scholarly standards.

From the Author

For generations an exclusively white community of literary critics treated a variety of thematic and stylistic issues (often with great subtlety and insight) while ignoring "Heart of Darkness" as a commentary on imperialism and racism. My edition does both.

Users Review

From reader reviews:

Anthony Harrison:

The book Heart of Darkness give you a sense of feeling enjoy for your spare time. You may use to make your capable much more increase. Book can for being your best friend when you getting tension or having

big problem using your subject. If you can make reading a book Heart of Darkness to be your habit, you can get a lot more advantages, like add your own capable, increase your knowledge about a few or all subjects. You are able to know everything if you like open up and read a guide Heart of Darkness. Kinds of book are a lot of. It means that, science guide or encyclopedia or other individuals. So , how do you think about this book?

Carol Wells:

Information is provisions for those to get better life, information nowadays can get by anyone at everywhere. The information can be a information or any news even a huge concern. What people must be consider whenever those information which is in the former life are difficult to be find than now's taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you have the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen within you if you take Heart of Darkness as your daily resource information.

Cassandra Rosas:

Do you like reading a e-book? Confuse to looking for your favorite book? Or your book was rare? Why so many issue for the book? But just about any people feel that they enjoy to get reading. Some people likes reading, not only science book but in addition novel and Heart of Darkness or maybe others sources were given know-how for you. After you know how the truly great a book, you feel desire to read more and more. Science e-book was created for teacher or maybe students especially. Those textbooks are helping them to include their knowledge. In other case, beside science reserve, any other book likes Heart of Darkness to make your spare time more colorful. Many types of book like this.

Gary Games:

A lot of reserve has printed but it differs. You can get it by web on social media. You can choose the very best book for you, science, comedy, novel, or whatever simply by searching from it. It is called of book Heart of Darkness. You'll be able to your knowledge by it. Without departing the printed book, it could possibly add your knowledge and make you actually happier to read. It is most essential that, you must aware about book. It can bring you from one destination for a other place.
