**Just as Long as We're Together** By Judy Blume

**From the *New York Times* bestselling author of *Are You There God? It's Me, Margaret* and the adult bestseller *In the Unlikely Event* comes a tale of family, friendship, and pre-teen life like only JUDY BLUME can deliver. The companion to *Here's to You, Rachel Robinson*.**

Can you have more than one best friend?

Stephanie's best friend is Rachel. Since second grade they've shared everything, good and bad. But now it's the start of seventh grade and Alison has just moved to their neighborhood. Stephanie immediately clicks with her—she's cool and fun and totally humble even though she's the daughter of a famous actress. Stephanie hopes all three of them can be best friends, but the more she pushes Alison on Rachel, the more Rachel seems to drift away. Is it possible to have two best friends? Or is it true that two's company, three's a crowd?

"Judy Blume does it again in what may be her best book yet!" —*American Bookseller*

*From the Trade Paperback edition.*

## **Editorial Review**

From Publishers Weekly

Stephanie, 12, is into "hunks" even though she's never met one herself. But when she starts seventh grade and finds out that she and her best friend, Rachel, aren't in any of the same classes except gym, Stephanie has more to worry about than boys. A new girl, Alison, moves in; she's a welcome new friend, but her presence alters the relationship between Steph and Rachel. For the first time, Rachel has secrets from Steph. But worse, Stephanie accidentally learns that her father isn't in California on business, but that her parents have separated, and that her father has a girlfriend. She even suspects her mother of having a "fling." The relationships within the story among the three friends, and between Steph and her parents are complicated, and Blume handles this aspect realistically and with great ease. The plot resolution, though carefully handled, is curiously flat. Despite this weakness, the story is lively, moves quickly, and captures the nutty, poignant world of very young teenagers. Ages 10-13.

From School Library Journal

Grade 5-7 Blume once again chronicles the customs, mores, and lifestyle of preteen girls. This first-person narrative touches on many themes found in her previous novels: friendship, emerging sexuality, body weight, the family, menstruation. The freshness and intimacy of 13-year-old Stephanie Hirsch's account infuse those themes with originality. Stephanie enters seventh grade armed with innate optimism, two best friends, and a supportive mom. She gradually assimilates the devastating news of her parents' separation, endures the pain of an all-out fight with her oldest best friend, and comforts her young brother through nightmares of nuclear war. The Blume trademarks of realistic dialogue, funny non sequiturs, and forthright misinformation (gullible Stephanie is told by her friend that hairy legs on a boy indicate sexual experience) are much in evidence. The inviting jacket design, showing the three friends in a fit of giggles, perfectly evokes the upbeat story. Susan H. Patron, Los Angeles Public Library

Review

The popular author returns to the junior-high age with an episodic story about a three-way friendship during a seventh-grade year. Tall, super-bright Rachel and narrator Stephanie have been best friends forever. When diminutive Alison - a Vietnamese adoptee whose mother is a well-known TV star - moves to their neighborhood, she easily joins their circle; Alison's unassuming charm makes her everyone's favorite, and her family is pleasantly ordinary. Meanwhile, Stephanie is beset by various pressures: Rachel neglects to tell her that she's been transferred to an accelerated math class; more important, Dad is "away on business" for months. When it turns out at Thanksgiving that her parents are trying a separation, it is a total surprise to Stephanie, partly because of her self-absorption, partly because her parents have dropped astonishingly few hints. Stephanie's angry response includes a food binge; the resulting fat complicates possible friendships with boys, who are just starting to be more interesting. Come spring, Stephanie begins to accept her parents' wish to live apart; a quarrel with Rachel, the inevitable consequence of the year's tensions and jealousies, is sorted out; and she loses weight. Blume still excels at assembling the minutiae and concerns of today's young with a humorous style and enough insight to win her readers. Devotees will set themselves a valuable precedent by reading a book of this length. Light; sure to please. (Kirkus Reviews)

## **Users Review**

**From reader reviews:**

**Mary Diaz:**

Have you spare time for just a day? What do you do when you have far more or little spare time? Sure, you can choose the suitable activity to get spend your time.
