Editorial Review

About the Author

Author Robert Randolph was born and raised in Ingelwood, California. A product of a studio family, I thought it was normal to grow up and be around movie stars in LA, or at my local spas. What's not normal is to do it and then write a book about it. I'm breaking the secret code. I'm writing about the stars that have shared deep secrets with me. I am no longer in the secret spa circle, but I am confident that after you read my story, you'll understand my reasoning and motivation behind my book, "You'll Never Spa In This Town Again."
