**Castle Hangnail** By Ursula Vernon

**From the creator of Dragonbreath comes a tale of witches, minions, and one fantastic castle, just right for fans of Roald Dahl and Tom Angleberger.**

When Molly shows up on Castle Hangnail's doorstep to fill the vacancy for a wicked witch, the castle's minions are understandably dubious. After all, she is twelve years old, barely five feet tall, and quite polite. (The minions are used to tall, demanding evil sorceresses with razor-sharp cheekbones.) But the castle desperately needs a master or else the Board of Magic will decommission it, leaving all the minions without the home they love. So when Molly assures them she is quite wicked indeed (So wicked! REALLY wicked!) and begins completing the tasks required by the Board of Magic for approval, everyone feels hopeful. Unfortunately, it turns out that Molly has quite a few secrets, including the biggest one of all: that she isn't who she says she is.

This quirky, richly illustrated novel is filled with humor, magic, and an unforgettable all-star cast of castle characters.

### Editorial Review

From School Library Journal

Gr 4–6—Dilapidated Castle Hangnail is in desperate need of a new master. When 12-year-old Molly arrives claiming to be a wicked witch, the castle guardian isn't convinced she is up to the job. Determined to prove herself, Molly works on completing the list of tasks required by the Board of Magic. She defends the castle (from weeds), commits an act of blighting (carpet mushrooms), and wins the hearts and minds of the townsfolk (figuratively). Even the castle minions—Majordomo, Edward, Cook, Angus, Serenissima, and Pins—are growing fond of Molly. None of them are prepared for the arrival of a sorceress who claims that she is the rightful mistress of Castle Hangnail. Soon, the castle is turned upside down by Eudaimonia and her ruthless demands. Molly must find a way to reclaim possession of the castle and save her minion friends. Tara Sands skillfully differentiates among the characters and adds a humorous touch to the voicing of some of Molly's animal friends. Although Molly calls herself a wicked witch, her behavior is more charming than frightful. VERDICT Recommended for those who enjoy fantasy with a touch of wickedness.—Amanda Spino, Ocean County Library, Lakewood, NJ
