The Ghost Files 2 (Volume 2) By Apryl Baker

At seventeen years old, Mattie Hathaway has survived her mother attempting to kill her, multiple foster homes, and a serial killer. Oh, and she sees ghosts on a regular basis too. You'd think Fate would give her a break right? Umm...nope, not Mattie. Dan Richards is the only person in the entire world Mattie trusts, but then the boy goes and breaks her heart. Mattie does what she does best, she runs and lands herself slap in the middle of a haunted house full of ghosts turned vengeful that want Mattie to join their ranks. Only bright spot on all this? Eli Malone – the gorgeous boy with the beautiful aqua eyes that makes her feel things she's never even imagined before. She's not sure what to do with him, especially when Dan shows up glowering at him. She'll figure Eli out if she can survive the house. The ghosts are bound and determined to kill her so she'll be one of them. Now if she can just figure out how to survive them and the demon stalking her, she might be able to decide what to do about her feelings for Dan and Eli. That is if she can survive the night in the house.
