Best of My Love (Fool's Gold, Book 22) By Susan Mallery

“Susan Mallery is one of my favorites.”—#1 *New York Times* bestselling author Debbie Macomber

Don't miss the final book in the bestselling Fool's Gold series!

To overcome her painful past, baker Shelby Gilmore goes on the hunt for a friend—a *male* friend—to convince her stubborn psyche that men can be trusted. But where in a town as small as Fool's Gold will the petite blonde find a guy willing to *not* date her?

Dark, charming Aidan Mitchell puts the “adventure” in Mitchell Adventure Tours...and into the beds of his many willing female tourists. Until he realizes he's inadvertently become *that guy*—the one-night Casanova—and worse, everyone in town knows it. Maybe Shelby's boy/girl experiment will help him see women as more than just conquests so he can change his ways and win back his self-respect.

As Aidan and Shelby explore the secret lives of men and women, the heat between them fires up the Fool's Gold rumor mill. If no one will believe they're just friends, maybe they should give the gossips something to *really* talk about!

Editorial Review

From Publishers Weekly

Mallery returns to the tiny mountain town of Fool's Gold, Calif., in the 20th and final book in her contemporary Fool's Gold series (after *Marry Me at Christmas*). Shelby Gilmore followed her ski racer brother, Kipling, to town, and bought into the local bakery. After her abusive upbringing, men terrify her. Town playboy Aidan Mitchell will sleep with any woman who comes through town, but only if she's a tourist. When the two team up as friends without benefits to overcome their fears—Shelby's belief that intimacy means abuse, and Aidan's belief that commitment means pain and extreme self-sacrifice—neither expects the arrangement to turn into a true romance. Even as they try to insist that they're only friends, it's obvious to everyone else—both fictional characters and readers—that they'll end up together. Mallery spins such an appealing town in Fool's Gold that readers will want to move in, or at least return for many visits. Even though the ending is eminently predictable, this expertly characterized tale has heart and soul. (May)
