Between Tsar and People From Princeton University Press

This interdisciplinary collection of essays on the social and cultural life of late imperial Russia describes the struggle of new elites to take up a "middle position" in society--between tsar and people. During this period autonomous social and cultural institutions, pluralistic political life, and a dynamic economy all seemed to be emerging: Russia was experiencing a sense of social possibility akin to that which Gorbachev wishes to reanimate in the Soviet Union. But then, as now, diversity had as its price the potential for political disorder and social dissolution. Analyzing the attempt of educated Russians to forge new identities, this book reveals the social, cultural, and regional fragmentation of the times.

The contributors are Harley Balzer, John E. Bowlt, Joseph Bradley, William C. Brumfield, Edith W. Clowes, James M. Curtis, Ben Eklof, Gregory L. Freeze, Abbott Gleason, Samuel D. Kassow, Mary Louise Loe, Louise McReynolds, Sidney Monas, John O. Norman, Daniel T. Orlovsky, Thomas C. Owen, Alfred Rieber, Bernice G. Rosenthal, Christine Ruane, Charles E. Timberlake, William Wagner, and James L. West. Samuel D. Kassow has written a conclusion to the volume.

Editorial Review

Review

"A short review cannot do justice to the importance of this collection of essays ... the work of a rising middle generation and several more senior historians of Russia. Centering on the theme of the interrelationship between social change and the search for new patterns of social identity that could define and perhaps unite emerging 'middling' groups in Russian society in the late Imperial period."--*Choice*

From the Back Cover

In this exploration of the social and cultural landscape of late imperial Russia, the contributors attempt to transcend conventional Eurocentric notions, such as 'middle class' and 'bourgeoisie, ' in order to see the emergent social classes of educated Russia as their members saw them.

Users Review

From reader reviews:

Eric Chabot:

Book is to be different for every grade. Book for children until finally adult are different content. As you may know that book is very important for us. The book Between Tsar and People had been making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you.
