Machines aren't supposed to feel, but this cyborg can't help falling in love.

Assigned as a specimen collector for a captured cyborg, Chloe is intrigued by the machine disguised as a man. Kidnapped during his daring escape, he shows her that despite the chip in his brain, his humanity is not completely lost.

Formerly known as unit X109GI, Joe is on a quest to discover his origin. While he doesn't find the answers he's looking for, he does discover that affection and lust aren't just for humans. But when it comes to a battle between logic and love, which side will the cybernetic organism—once a man—choose?

### Editorial Review

#### Review

**Five Star Review** - "I loved the superiority of the cyborgs and I loved how Chloe kept knocking the boys off their logical high horses with emotional responses that left them befuddled... And I loved how logical the guys were, but still couldn't stop feeling, no matter how hard they tried. "*says Niina @ For The Love of Reading*

**Five Star Review** - " This is definitely a story worth reading over and over again to grasp the subtle clues to the mystery surrounding Chloe and her role. I highly recommend this story to people who love a great science fiction story with romance, passionate sex, and a moral dilemma. "*says Sizzling Hot Books*

**Five Spider Review** - "This was an excellent read. Fresh story line, fast-moving, absolutely great sex scenes, and really heart-felt emotions. You can connect with the characters, even if they are only supposed to be half human. You feel their pain and marvel in the unique ways they are able to triumph over the military..lol. Halfway through the story I am wondering if I am a traitor because I want the cyborgs to win." *says Close Encounters With The Night Kind*

**Five Star Review** - "I think that from all the books I've read or movies I've seen with cyborgs, this is the most realistic and complete description of what and who is a cyborg." *says Dolce Amore of Book Up*

**Five Howl Review** - "OMG I LOVED, LOVED, LOVED THIS BOOK!!!! This book had everything that you are looking for in a story that will keep you glued to the pages: suspense, mystery, action, emotional content that will have your heart aching and a gorgeous, hunky hero that will have you wishing you were the one getting his special treatment." *says Ollie of Bitten By Paranormal Romance*
