### Seeking Persephone By Sarah M. Eden

When Persephone Lancaster receives a marriage proposal from the ill-tempered Duke of Kielder, she refuses, and then reconsiders. The obscene sum of money he's offering Persephone would save her family from ruin. With her characteristic optimism, she travels to the far reaches of Northumberland to wed a greatly feared stranger. Lodged deep in a thick forest infested with wild dogs, the Duke's castle is as cold and forbidding as the Duke himself, a man with terrible scars on his body and his soul. But the Duke's steely determination to protect his heart at all costs is challenged by his growing attachment to his lovely and gentle bride. With caring persistence, Persephone attempts to pierce the Duke's armor and reach the man beneath. Yet he cannot tolerate such exposure, and his repeated rejections take their toll. But when grave danger arises, the Duke realizes he must face the risk of revealing his true feelings or lose the woman he cannot live without.

### Editorial Review

#### Review

The re-release of Provo author Sarah Eden's Whitney Award-nominated book, *Seeking Persephone*, thrills the hearts of her fans and Regency lovers everywhere. Initially self-published and has been out-of-print the past three years, Eden's well-loved story has returned to bookstore shelves.

In *Seeking Persephone*, Persephone Lancaster's family is on the verge of financial ruin. When an unexpected marriage proposal forces her to choose between her own happiness and her family's welfare, Persephone finds herself relegated to life in a secluded castle as the wife of a bitter duke. Living in a fortress surrounded by foreboding forests and wild dogs while facing a distant, unfeeling husband inside its walls, Persephone is sure she will never be happy again.

But Adam, the Duke of Kielder, is not entirely what he seems. Physically and emotionally scarred from childhood, his icy demeanor masks a softer, more vulnerable character. Forced to face the constant courage and optimism of his enchanting young wife, the Duke can hardly keep his protective walls intact. When menacing forces put Persephone's life in jeopardy, will the Duke risk his heart in order to truly save her or will he remain safe within the stronghold he has created?

*Seeking Persephone* is the prequel to Eden's other Whitney Award-nominated book, *Courting Miss Lancaster*, which was released by Covenant Communications in March 2010.

Using her dynamic style, Eden plunges into this sweet, *Beauty and the Beast*-type tale. With her characteristic wit and charm she leads readers through the world of strict propriety to find the warmth of a tender love story.

The characters are immediately understandable and endearing. Readers will find themselves rooting for Persephone and Adam to come together through their personal struggles to create a life they can cherish together.

*Seeking Persephone* is sure to tug at the heart strings of romance lovers and to please Eden's expanding collection of fans. --Melissa DeMoux, For the Deseret News
