The 77 Deadly Sins of Project Management By Inc. Management Concepts

Project management is a tough business. Not only must project managers contend with schedules, budgets, and a host of stakeholder demands, but they must also deal with sometimes vexing human behaviors, such as whining, indecision, opposition, inflexibility, complacency, and tunnel vision, to name a few. Projects can be negatively impacted by common "sins" that hinder, stall, or throw the project off track. In *The 77 Deadly Sins of Project Management*, the contributors focus on each "deadly sin" and probe its manifestations and consequences for projects. By sharing their personal experiences, as well as some historical events, the contributors spotlight the effects and costs — both financial and human — of failing to get a handle on these sins and reign them in. Through anecdotes and case studies, *The 77 Deadly Sins of Project Management* will help you better understand how to execute the myriad aspects of today's projects.

About the Author

Forty seasoned project managers and team members who are experts in all aspects of project management, including leadership, risk management, earned value, requirements, and the work breakdown structures, offer their insights and guidance on how to keep projects moving toward a successful outcome.

Users Review

From reader reviews:

David Lalonde:

Reading can called imagination hangout, why? Because while you are reading a book particularly book entitled The 77 Deadly Sins of Project Management your thoughts will drift away trough every dimension, wandering in every aspect that maybe unfamiliar for but surely will end up your mind friends. Imaging every word written in a guide then become one application form conclusion and explanation this maybe you never get ahead of. The The 77 Deadly Sins of Project Management giving you an additional experience more than blown away your mind but also giving you useful details for your better life with this era. So now let us show you the relaxing pattern is your body and mind will probably be pleased when you are finished looking at it, like winning a casino game. Do you want to try this extraordinary shelling out spare time activity?

Yolanda Ocasio:

Do you have something that you prefer such as book? The book lovers usually prefer to decide on book like comic, short story and the biggest an example may be novel. Now, why not trying The 77 Deadly Sins of Project Management that give your satisfaction preference will be satisfied by reading this book. Reading practice all over the world can be said as the opportunity for people to know world better then how they react in the direction of the world. It can't be explained constantly that reading behavior only for the geeky particular person but for all of you who wants to always be success person. So , for all of you who want to start reading through as your good habit, you could pick The 77 Deadly Sins of Project Management become your starter.

Glenn Wallin:

This The 77 Deadly Sins of Project Management is great book for you because the content which can be full of information for you who also always deal with world and also have to make decision every minute. This specific book reveal it information accurately using great plan word or we can declare no rambling sentences within it. So if you are read the item hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but tricky core information with wonderful delivering sentences. Having The 77 Deadly Sins of Project Management in your hand like keeping the world in your arm, info in it is not ridiculous one particular. We can say that no e-book that offer you world within ten or fifteen moment right but this guide already do that. So , this is good reading book. Heya Mr. and Mrs. active do you still doubt

which?

Floyd Eichner:

Do you like reading a e-book? Confuse to looking for your selected book? Or your book has been rare? Why so many question for the book? But just about any people feel that they enjoy for reading. Some people likes studying, not only science book and also novel and The 77 Deadly Sins of Project Management or others sources were given know-how for you. After you know how the truly great a book, you feel would like to read more and more. Science guide was created for teacher as well as students especially. Those textbooks are helping them to include their knowledge. In various other case, beside science e-book, any other book likes The 77 Deadly Sins of Project Management to make your spare time a lot more colorful. Many types of book like this.
